

Minutes:

- Welcome: Board
 - Board, Dr. Sartorius and all present introduced themselves. We had several new faces in attendance.

- Earn and Learn Presentation: Breigh Weiss
 - This is a behavior incentive program Mrs. Weiss uses in her 5th grade classroom where students are given a checkbook with a \$55 balance. Students make deposits and withdrawals based on their behavior. In May, they may use their \$ to donate to a charity. Community members are asked to match the classroom money so that students can learn the importance of donating to a charity. This year the 2 charities will be the National Wildlife Fund and Make a Wish Foundation. Up to now, Mrs. Weiss has had just over \$600 donated. Her goal is \$1000. PTO promised to make up the difference in May.
